Holidays and Staff Development Day
We hope you all enjoy the upcoming school holidays and have a safe and family orientated break. Staff return to work on Monday, 14 July 2014 for staff professional learning on the Australian Teaching Standard, the Super 6 Comprehension Strategies, the new curriculum and the MBTI personality characteristics. All students return on Tuesday, 15 July 2014 for Term 3. Thanks!

2015 Kindergarten & New Parents Information Night
The school will be implementing a different information and orientation system this year. We will be conducting an information afternoon at 5.00pm on Tuesday, 5 August 2014 for any new families considering Bilambil Public School for their children to attend in 2015. This will be followed by an orientation meeting for parents and a series of classroom based rolling orientation sessions to be held throughout Term 4.

Canteen Food Audit
The school is currently undertaking an audit of the foods that the canteen is stocking. This is in order with the NSW Healthy Canteens requirements. The audit will be presented at the next P&C meeting for discussion.

Playground commitment
The first "new playground committee" will be held on Tuesday, 24 June 2014 at 8:15am. Any interested people are welcome to join us in Mr Mostert’s office.

New School Uniform Update
The P&C New Uniform sub-committee presented a range of designs at the last P&C meeting. They will now be acquiring samples of the new uniform options to be displayed in the school office foyer. Students, staff and parents will then vote on the various options in the first few weeks of Term 3 for the final decision and ordering to take place. The implementation of the new uniform selected will have a substantial period where old and new uniforms will both be acceptable.

Newsletter
Term 2 Week 8 17 June 2014
School Reports
Semester 1 student reports will be sent home with students on Thursday, 26 June 2014. The school follows all NSW department guidelines for reporting to parents but has altered its recently used report format to hopefully provide a better overall report of how your child has gone this semester.

When reading your child’s report, it is important to understand that students who are progressing at the expected level and standard for their learning stage will achieve a Sound or 3 in their overall subject summaries. If you are unsure of any part of your child’s report, please contact their teacher to arrange a time to meet.

Eisteddfod
The Murwillumbah eisteddfod starts today with the Choral Speaking events. The school is proud that every student in the whole school will participate in the Choral Speaking or Speaking Choir competitions.

In addition, the Senior, Junior and Infants Choir will perform as will seven individual singers who without Mrs McGlinn’s intensive support, wouldn’t be getting the opportunities that this competition will provide.

Bilambil Girls taking on the State in sport
The school is very proud that two more students have successfully made it into the North Coast regional teams for their respective sports. Congratulations to Stella R for making it to the State Cross Country Carnival early next term in Sydney. Congratulations also to Jade H who will compete at the State Touch Football Carnival in Wagga Wagga in August. Good luck girls!
P&C Sausage Sizzle
Instead of the regular Sushi Day on the last Friday of the month the P&C have decided to hold a Sausage Sizzle at the School Athletics Carnival next Friday, 27 June 2014. K-2 will be required to be pre-order, please find the order form enclosed in this newsletter. All other students will be able to purchase their sausages on the day.

Terranora Pharmacy
Terranora Pharmacy have contacted our school community with an offer that when "Bilambil Public School" is mentioned, 5% of all sales which are not scripts will be donated back to the school. If you are shopping for anything at Terranora Pharmacy, please don’t forget to mention us. Thank you!
PSSA Soccer Gala Day

Bilambil’s Soccer Girls recently competed in the PSSA Soccer Knockout Gala Day. We won every game and made it to the finals. We were up against Terranora, who we had already won against in our first game. Terranora scored one lucky goal and with our girls having a ton of shots at goal, the ball couldn’t find its way to the back of the net. We had a fantastic day and are very pleased to be runners up in the Tweed Area.

Wet and soggy conditions for our AFL boys

Last Friday June 13, 18 intrepid Year 4, 5 & 6 students competed in the Murwillumbah/Tweed PSSA AFL Gala Day.

Led by Connor, Nic and Ezra all the boys played sensational footy to record great wins over Murwillumbah and Tweed South Public Schools before being outsized and narrowly beaten by Terranora Public School.

Despite being drenched for most of the day, all the boys displayed great effort, sportsmanship and manners and were a tribute to their school and their families.

Athletics Carnival

The school athletics carnival will be held on the last day of term, Friday, June 27. It will take place at the Bilambil Jets ground across the road from the school and will follow a similar format to last year’s event. K-2 students not turning eight this year will do activities up until recess and then return to school. All other students will undertake all track events, novelty and some field event finals.

Students will meet at school as per normal before having their attendance taken and walking over to the ground. Parents are very welcome to join us for the day and the P&C will be coordinating a sausage sandwich, cake and coffee stall.

Please contact Mr Menin for more information if required.

WOW! What a bright day at Bilambil

On the 6th of June we had Gold FM come to our school to interview Miss Wendt about Bilambil’s Bright Sparks Day. Gold FM were so impressed with the hundreds of dollars Bilambil managed to raise that they put the interview on the radio.

If you would like to hear the live cross and view more photos please visit our school website and follow the link. Thank you Bilambil for dressing up in those Bright Colours! You have certainly cheered up the children in our local hospitals!

Far North Coast Dance Festival

It was a great pleasure to watch the Bilambil Public School Dance group perform at the Far North Coast Dance Festival. Under the bright lights at the Gold Coast Arts Centre, our dancers shone ever so brightly! Months of twice weekly before school practices were just part of the commitment and dedication that each girl demonstrated to culminate in a fantastic performance. Their dance, to the song of Titanium was beautifully choreographed by three very talented dancers; Shenaye J, Cate H and Xalia S.

These girls showed incredible skill and passion in their ability to teach a group of students, some of whom had little dance experience. The level of technique and precision in dance style and movement was very impressive and it is an enormous credit to these girls who instilled in the dancers, the ability to perform at their best.

Congratulations to all the dancers who have made us very proud.

Nationally Consistent Collection of Data on School Students with Disability 2014

Our school is participating in the collection of nationally consistent data on school students with disability. We will be collecting information already available in the school about the support that is being provided to students with disability. The data collection will have no direct impact on your child and they will not be involved in any testing process.

The NSW government will provide data to the Australian government from all NSW public schools in such a way that no individual school or student will be identified. This will ensure the privacy and confidentiality of all students.

If you do not want your child to be counted in the data collection you must complete the attached form and return it to the school office before the end of term 2, 2014. Further information about the data collection can be found on the Australian Government Department of Education website at: http://education.gov.au/nationally-consistent-collection-data-school-students-disability

If you have any questions about your child being included in the data collection please contact the school.

(I/We ___________________________________________(parent/carer name) DO NOT wish my child ___________________________________________(name of child/ren) to be counted for the purposes of the collection of nationally consistent data on school students with disability.
